Luxurious 7-Day Spa Vacation

April 2-9, 2017

A spa vacation in Mexico can be a fantastic bargain, costing in some cases thousands less than a similar facility in Arizona or other U.S. locations. Join me for a sumptuous week at this old-world luxury hotel spa in beautiful Ixtapan de la Sal, 65 miles southwest of Mexico City. Enjoy year-round temps of 75°, and see below what is included in the Spa Classic Program. Take a look at what's being offered, and if you're interested, or have questions, please give me a call or e-mail.
